## PROFESSIONAL GOALS

Hi Sir,

I will make a high quality 2D Character design with basic animation as soon as possible for 2D or 3D animation Game, Web, Moves and series.

And I can bring life to any static image or object. I am proud of my work and believe that the work is completed when the customer is 100% satisfied.

I'll be glad to work on your project !Please accept my regards.

Sherif Fawzi
